Dear Parents,

We are currently registering children for preschool and kindergarten. All children who will be three (3), four (4), or five (5) by October 1, 2022 may be admitted into our full-day program. To begin the registration process, parents need to complete and return this form by **March 27, 2022**. *If your child is already enrolled within our district, there is no need for you to fill out this form.* We would also appreciate it, if you would give this information to anyone in the community who does not have a child currently attending school but has a child that would be eligible for enrollment.

Following the submission of this form, we will mail an information packet to you along with an appointment time, that will include a list of documents that you will need to complete, compile and return to our office on **May 20, 2022 with your child at your appointed time.**

Thank you for your assistance.

Sincerely,

Stewart G. Potter
Superintendent

(Return to the school office by March 27, 2022)
